Dale A. Brill, Ph.D. Director of the Governor's Office of Tourism, Trade and Economic Development to Appear February 12th On The Neal Asbury Show on WZAB-AM

Dr. Brill serves as Director of the Governor's Office of Tourism, Trade and Economic Development (OTTED). In this role, Dale advises the Governor, Lieutenant Governor, and Legislature as they formulate policies and strategies designed to promote economic diversifi-

cation and improvements in Florida's business climate and infrastructure.

Dale's resume demonstrates more than just Career Attention Deficit Disorder. He was selected to Fast Company magazine's inaugural list of "Fast 50 Innovators" and was named as one of the 25 Most Extraordinary Minds by the Hospitality Sales and Marketing Association International.

Dr. Brill admits to being overeducated and doesn't mind being called an academic. After earning his doctorate at the University of Tennessee, Dale served on the full-time faculties of both Boston University and Florida State University.

Dale is still an active baseball player, participating

for past five years in the Roy Hobbs World Series. Dale bats right, throws right and scouting reports confirm he still has trouble handling sliders down and away.

The Neal Asbury Show tackles key trade issues every Thursday from 11:00 AM until Noon on WZAB-AM 880. The show is streamed live on line at WWW.880THEBIZ.COM, which is affiliated with Bloomberg Radio and CNBC.
